Teresa Vamos : Essential Wellness: live with more happiness, improved well-being and greater vitality in everyday life before purchasing it in order to gage whether or not it would be worth my time, and all praised Essential Wellness: live with more happiness, improved well-being and greater vitality in everyday life:

0 of 0 people found the following review helpful. Okay, I admit I bought it for it's gorgeous cover but content of book is incredible!By Brian S.Essential Wellness is truly an incredibly written book! Couldn't believe how much valuable insightful information is included in this book, in such an easy enjoyable to read fashion. I like that it provides very specific ways one can achieve different areas of essential wellness, despite a busy lifestyle...which is actually why we all can benefit greatly from this book! It would be a fabulous gift /or read for all ages. I know I will be buying more for gifts. Great price too!

Learn how to live with more happiness, improved well-being and greater vitality in everyday life! Discover practical tips to: claim a renewed zest for life; get out of your comfort zone; help make sense of the cosmos we live in; find wonder and awe for life and its mysteries; live more consciously, meaningfully, sustainably and productively; and rethink a fast paced, consumerism, work-and-spend lifestyle. Be happier and healthier here and now!

About the AuthorTeresa Vamos has been a practicing attorney for over twenty years. In 2012, she completed a transformative 200 hour yoga teacher training course during which she became increasingly fascinated and curious about the mind, body, spirit connection and what it takes to achieve an overall state of well-being, which led to the writing of this book.
