If you love Aussies you will LOVE this book!By SlakkieIf you love Australian Shepherds, want to learn about Australian Shepherds or want to learn about pedigrees this is THE book. Author Paula McDermid does a fabulous job tracing some of the dogs that have impacted the breed and giving their story from the people who knew them and then in a wonderful twist, she then brings these wonderful dogs forward into present generations with wonderful photos of their progeny.This book is a great tool for anyone interested in getting serious about the Australian Shepherd as it is probably the best compilation available in print with generations of dogs in photos. It is also great for the pet owner to see their dog's family. I will be giving a copy of this book to all of of puppy buyers - I cannot wait for the next book!2 of 2 people found the following review helpful. Tears of happiness were falling around this house last night as I ...By C. MacSpaddenTears of happiness were falling around this house last night as I went through this wonderful book and saw photos of many incomparable Australian Shepherds that I had the privilege to see and even touch many years ago. Thank you, Paula, for this beautiful tribute to these gorgeous dogs and for including some of my husband's photographs. He would be so pleased.2 of 2 people found the following review helpful. you are going to love Paula McDermid's book Unforgettable AussiesBy Tracy J. LibbyWhether you're a newcomer to the breed or a long-time fancier, you are going to love Paula McDermid's book Unforgettable Aussies. Your heart will beat faster and every cell in your body will buzz with energy as hundreds of photographs allow the evolution of the breed to unfold in front of your eyes. Pictures and photographs, as well as conversations with noted breed authorities allow you to see where our foundation dogs came from and when they began to modernize. Unforgettable Aussies celebrates the exceptional dogs who helped to define and shape the Australian Shepherd breed. It belongs on the shelf of every Aussie breeder and owner.

Unforgettable Aussies celebrates the exceptional dogs who helped define the Australian Shepherd breed. In this rich history, over 400 Aussies are pictured--each with a detailed profile including titles, special show wins, sire and dam, and name of the owner. Also included are personal stories about many special Aussies, and pedigrees to help you

research your dog's family tree. Never before have Aussie breeders and owners had access to this priceless information in one resource. Every page shows why Aussies are truly unforgettable. As endearing as a new puppy, Unforgettable Aussies is filled with warm, captivating stories about Australian Shepherds and the people who loved them with all their hearts. This book will delight every Aussie fancier--those who own dogs for competition, as well as people who prize the breed as wonderful pets. This is a book you must have if you love Australian Shepherds!

"I began reading Unforgettable Aussies and couldn't put it down. What a book of memories! When I saw my dogs, The Sunshine Boys, right there on the front cover, I was speechless. That's so neat! This book is magnificent and I know it will become an important part of Aussie history." - Judy Williams, Windermere Kennels "Wow, that was my dog's father! I was excited about a photo of Sage I hadn't seen in 40 years. How wonderful to see where our dogs came from, the evolution of our breed, and when Aussies began to modernize." - J. Frank Baylis, Bayshore Kennels Unforgettable Aussies is a great book! Here are the inside stories of our foundation dogs and history of our breed. Anyone who is as passionate about Aussies as I am needs this book." - Linda Wilson, Briarbrook Kennels About the Author Ms. McDermid acquired her first Australian Shepherds in 1980 and has been devoted to the breed since that time. Under the kennel name "Bainbridge," she produced many champions, obedience, herding and agility titled dogs. Among those beautiful and talented Aussies were two superstars: CH Steal The Show of Bainbridge, Best of Breed winner at the 1986 Australian Shepherd Club of America National Specialty. MACH4 U-ACHX NATCH4 ATCH-SP ADCH C-ATCH U-CH Chukker's Brumby Bainbridge AKC ASCA CD STDc ATDsd HSAsd TN-O WV-N TG-N JHD-S NF RN CGC Most Versatile Aussie at the 2004 United States Australian Shepherd Association National Specialty. Ms. McDermid's success as a breeder earned Bainbridge Aussies the "Hall of Fame" designation from the Australian Shepherd Club of America (ASCA). Ms. McDermid served for nine years on the Board of Directors of the United States Australian Shepherd Association (USASA). Her positions included Vice President, Director, Newsletter Editor, and Chairperson of the Health and Genetics Committee (HG). Her greatest achievement as HG Chairperson was the advancement of genetic health testing of Australian Shepherds. In 2007 she spearheaded the establishment of the first Aussie epilepsy research program. From 2007-2011, Ms. McDermid directed the expansion of genetic health testing at the USASA National Specialty, establishing it as an annual event. Ms. McDermid began judging Australian Shepherds in 1986 at ASCA specialty shows and is a Senior Breeder Judge. In 1995, she became the second Australian Shepherd Breeder-Judge to be approved by the American Kennel Club. She judges AKC and ASCA shows across the United States, and FCI Australian Shepherd specialty shows in Europe.
